

## Sophomore Vocabulary

**Vocabulary Text:** The Word within the Word by Michael Clay Thompson

- Semester 1: lists 11-15

**Semester Vocabulary Final:** lists 11-15

- Semester 2: lists 16-20 AND review of lists 1-10 from Freshman English

**Semester/Year Final:** lists 1-20

### 90/90 Testing Policy:

In an attempt to see all students succeed, each vocabulary test will be re-taken by the entire class if ninety percent of the class cannot meet a ninety-percent “A” on the test. This allows students extra time for study and practice, and the chance to raise their scores and their overall grades.

In addition to 90/90, any student who wishes to re-take any vocabulary test given that semester for a higher score may come to room 221 during Student Access Time. Higher scores will replace the previous score in the gradebook. If the class as a whole then meets the 90/90 requirement, no class-wide re-take will be required.
